1. My firm will be the only photographers allowed to photograph show wins. Local news photographers will be allowed upon mutual agreement. Photographers for a **CLUB** website will be allowed upon advanced notification and agreement with a disclaimer. We will work out the wording of the disclaimer, if needed, together.
2. After almost 40 years in the business of dog show photography, and 50 years of breeding, showing and doing performance events with our dogs; our company has been forced to see that people who participate in performance events rarely, if ever, want to have an official win photo taken. Performance judge's also appear to be quite happy to pose, in the ring normally, for cell phone photos with the exhibitor and the ribbons included. This is a breach of contract. If the photographer attempts to enforce this breach it rarely goes well and leaves a bad impression, It is always our goal that once you sign the contract you won't have any issues coming from our direction; So, with that in mind, we have reached the difficult decision, that, we will cover performance events **ONLY** when requested by the club, and with the full backing of the club to meet our contract. IF you/your club wishes us to cover your performance event(s), we are happy to do so, just let us know you want us there, and are willing to back us on the contract. Be aware that this also means that your club does not receive the images from us for your album

Should performance events and conformation be side by side the photographer will stay no longer than 30 minutes after the completion of the conformation side unless the performance chair or show chair has directly requested it. If you do wish to have us on hand for those photos please make clear that these "selfies" are a breach of contract and will not be tolerated and assist the photographer by enforcing that, and specifically, let our agent know you will be doing so!

3. I will supply the club with one (1) free 8x10 color high resolution image of the following: Best of Breed/Variety, Best of Opposite Sex (Breed/Variety), Best of Winners, Winners, Reserve Winners, Best in Sweeps (puppy/veteran), Best of Opposite Sex Sweeps (puppy/veteran), Best Puppy, Best Bred By, High in Trial, High Combined, Awards of Merit, and Selects that are taken and purchased. The club will be able to purchase any images that are not included in the album for a cost of \$18/image. Images will be available for download from our website either when the show "expires" on our website (90 days after the show) or sooner if needed and we are notified. You can receive a physical album for \$50/day or both JPEGs and 8x10s for \$75/day. The host club agrees not to sell or give away images to anyone, including owners, breeders or handlers, they are for official club use only. The host club reserves the right to publish the official photos of the winners on their website and any other source it deems fit.
4. There is a fee of \$200.00/day (payable by the end of the specialty). In lieu of the daily fee the club can supply a room in the host hotel, excluding incidentals, for the photographer. The dates the hotel room is reserved for should be from the night before you wish the photographer to work until the night they are done working. For example if you want the photographer to work Tuesday-Thursday, they will need a hotel Monday-Thursday nights.
5. A premium list, judging schedule, catalog & parking pass (where applicable) will be supplied by the club. The company only supplies necessary photography equipment and a qualified photographer; examination tables, ramps or podiums are not provided.
